NEAGS is working on a **Salute to The Veterans of Etowah County** book. If you have someone that served since **1898** and lived or registered in Etowah County, we would love to include them in this book.

Complete the form below and send best proof of veteran's discharge to be eligible. If killed or missing in action, please supply any information you have. If the veteran served in the Navy, include ships served on, theater, battles and serial number as these are not always on discharge papers.

Please give complete names. We are doing this book for future generations and we must have complete information. Also please provide complete name, address and phone number of the person submitting this information. Send to the address above. Any questions, contact Kathy Burttram or Lynda Peach via email at address **salute2vets@comcast.net**
